(? - 1611) HENRY HUDSON

In 1607 he was commander of HOPEFUL in quest of northwest passage to the Spice Islands, in which he touched the coasts of Greenland, Spitzbergen, and went as far north as $80^{\circ} 23'$ before returning to England. In another voyage he reached Nova Zembla and for Dutch East India Co. he sailed (1609) in the

Good Hope and Half-moon & try for
the Northwest Passage. He discovered Sandy
Hook and explored the Hudson R. as
high as Albany. In 1610 he sought
the northwest passage reaching Hudson
Strait and passing into Hudson Bay.
1611 - The crew mutinied at Governor
board Hudson, threw him into a
small boat with his son and 7 faithful
men, none of the party being heard from
again.

(1567-1625) MAURICE, Prince of Orange and
Count of Nassau

The youngest son of William the SILENT;
a famous general. Born at DILLENBURG
in Nassau. Was elected stadtholder (1584)
and after the assassination of his father,
wrested many of Spain's possessions from
her. Distinguished himself by the defense
of OSTEND during three years and finally
forced the Spaniards to sign a truce of

years and to acknowledge the independence
of the United Provinces (1609). Maurice
and BARNEVELDT were bitter political
enemies, and the latter met his death
because of this.
